Motorsports Pavilion

R.J. Reynolds Tobacco Co./Nabisco - Biscuit Division vast world of motorsports comes alive under their Motorsports Pavilion at the 1994 New York State Fair.

Race fans get a true taste of life in the fast lane under this huge 5,000 square foot tent. A variety of motorsports attractions can be found there including NASCAR Winston Cup race cars, driver appearances, racing souvenirs and historic race cars from the DIRT Motorsports Hall of Fame and Classic Car Museum.

The first three days of the Fair will be highlighted by feature displays of Hut Stricklin's #23 Smokin' Joe's Racing NASCAR Winston Cup race car, the Winston Select NASCAR show car and the Winston Simulator. Fairgoers will want to strap themselves into the Winston Simulator and experience the thrill of driving a NASCAR Winston Cup race car, an NHRA dragster or an Unlimited Hydroplane.

After a ride on the Simulator, they can see the real thing up close as they examine the many types of race cars on display including DIRT Modifieds, ISMA Supermodifieds and NASCAR Winston Cup race cars. They'll also be able to meet many of their favorite drivers from across New York State including Bob McCreadie, Billy Decker, Steve Paine, Eddie Bellinger and many others.
